MANAGING TRUSTEE'S MESSAGE

Dear Readers,

RLPS has been the centre of creative learning for school going children. RLPS management has been instrumental in bringing state - of - the art paedagogy in to the learning loop of RLPians. Our teachers are competent to implement AI-Components - the class room teaching and testing modules. I congratulate the students and staff for generating the digital-format of RLPS Newsletter-COMPASS mainly for the last quarter of the academic session : 2025-26.

RLPS stakeholders are taken in to confidence for step - by - step planning for students' academics.

With warm regards,

From Principal's Desk.....

Another mile-stone of achievement has just come to an end with the success of RLPS Annual Parent-Teacher Meet on 24th March 2026 and Felicitation function (For Meritorious RLPians) on 28.03.2026. Appreciation received from the parents has proved to be a thrust forward in RLPS - Progress.

This issue of COMPASS - the RLPS quarterly Newsletter envisages the learning activities of the last leg of the academic session : 2025-26. Glimpses of the opening days of Academic Session : 2026-27 have also been included.

It is obvious that our students will grow by leaps & bound under the stewardship of RLPS teachers. With best wishes.
